

## **Gary's Dewey Beach Grill** **Established 1991**

**Gary's has long been a locals' favorite for flavorful, healthy, chef-driven foods in a casual, laid-back atmosphere. Serving breakfast, lunch, and dinner, our menu features a variety of Dewey staples, as well as inspired creations. In 2017, Gary's was stoked to finally turn our passion for brewing beer into our own little brewery, and 38° -75° Brewing was born, offering our patrons fresh, creative brews made less than thirty yards from their glasses. In addition, Gary's continues to support local and national independent breweries with our large selection of craft cans, bottles, and draught beers. Family friendly and a popular beach house gathering spot, Gary's has a little of something for everyone.**

**Thanks for visiting us and sharing in the Gary's experience. As we call Dewey Beach our home, please kindly remember that we can get very busy during peak summer times. And please know that our staff is trying their very hardest to make your experience one that you will remember. So, if at times, things seem to take a little longer than normal, relax, enjoy a fresh 38° -75° brew, or other cold beverage, enjoy the tunes and good company, and remember that the beach is less than 100 yards away.**

**Cheers!**
